

*“No matter where your interest lies, you will not be able to
accomplish anything unless you bring your deepest devotion to it.”*

MATSUO BASHŌ

GEOPRENE

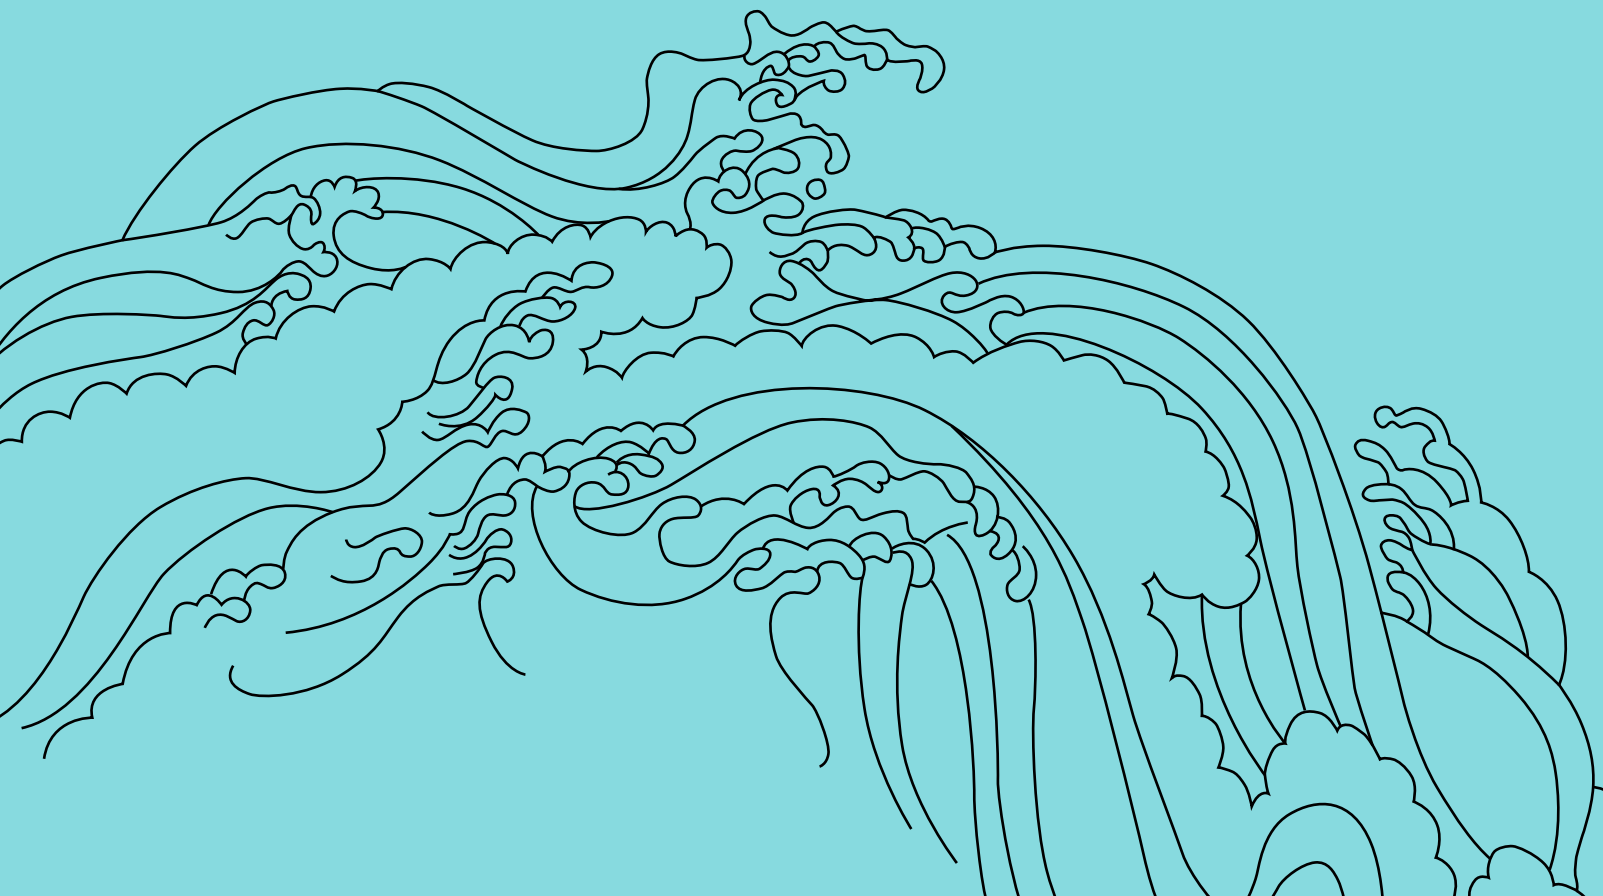

WHY **GEOPRENE** IS BETTER.

- + Matusé's limestone Geoprene is 98% water impermeable.
 - + Petroleum-based neoprene is 65% water impermeable.
 - + Geoprene suits don't absorb water like a sponge.
 - + It's not just marketing jargon. It's Geoprene. And it's all good.
-

DO THE MATH:

98 > 65

MATUSE SUITS ARE WARMER, LIGHTER, DRY FASTER & LAST LONGER.
